## About Nate Michaud

Nate Michaud is a legendary momentum day trader. He's won and lost millions in a single day. With over 15 years of trading experience he's been around the block, to say the least. In 2008, Nate started an educational service called

[InvestorsUnderground.com](http://InvestorsUnderground.com). It is known as one of the more active and heavy-hitting chat rooms for momentum traders. Many successful traders have come through the his service over the years.

The image shows the top portion of the Investors Underground website. At the top, a blue navigation bar contains links for 'Free Trading Course', 'Day Trading Encyclopedia', 'Trader Interviews', and 'Shop' on the left, and a phone number '603-635-4914' along with Facebook and Twitter icons on the right. Below this is the 'Investors UNDERGROUND' logo on the left and a menu with 'WHY', 'COMMUNITY', 'FEEDBACK', 'PRICING', 'SUPPORT', 'BLOG', and 'LOGIN' on the right. The main content area has a blue background with the text 'Welcome to The #1 Online Day Trading Community'. Below the text is a video player showing a man in a dark jacket sitting at a desk with multiple computer monitors displaying trading charts. The video player has a play button, a progress bar, and the Vimeo logo.

## SimCast Episode 8

In light of the current landscape of day trading chat rooms, we thought it would be fun to sit down with Nate Michaud and discuss his thoughts on the situation. Along those lines, Nate gave us his best practices for using any education or chat service. Also, despite being known as a short-seller, Nate reveals a shocking secret about his long trades! You won't want to miss that.

This episode is great for anyone just starting out and wondering, "how do I get started?" For more information on how to use chat rooms to your advantage, we recommend our [recent post](#) on the subject. Also, be sure to check out our tutorial on [how to find an edge](#).

Don't forget to follow Nate on Twitter and YouTube as he regularly sends out great free information:
