

# The SimCast Ep. 7 – Brandon aka @crawfish\_poboy on his \$200k Trades!

Brandon has been a full-time day trader for over a decade. Getting his start in 2011, he has progressed from his early struggles to now making more than \$100k in a single day. Known as “Cole Trickle” on his [Twitter handle @crawfish-poboy](#), Brandon is an outspoken and very active trader, sharing his wisdom and trades with his followers.

In this episode, we dive into Brandon’s early years as a moderator at InvestorsUnderground, his progression through some really [tough losses](#), how he [manages risk](#), and some of his recent trades like DWAC. In fact, at the time of posting, Brandon hit a homerun trade, profiting more than \$500k on symbol OCGN on both the long and the short side!

Brandon’s OCGN trade
